PETITION TO ACCORD A FILING DATE UNDER 37 CFR § 1.53(b)

Applicant respectfully petitions that a filing date of September 23, 1999 be accorded to the above-identified application. The Petition fee of \$130.00 required under 37 CFR § 1.17(i) is enclosed.

The Postcard Receipt received in the application, a copy of which is enclosed, has been stamped by the U.S. Patent and Trademark Office with a filing date of September 24, 1999. The filing date of the application should be September 23, 1999, as shown in the originally filed application papers.

Enclosed are copies of the Application Transmittal Letter and New Application Transmittal filed with the application. As shown on their Certificates of Mailing, all application parts required for a filing date under 37 CFR § 1.53(b) were deposited with the United States Postal Service (USPS) "Express Mail Post Office to Addressee" service on September 23, 1999. Therefore, under 37 CFR § 1.10, the filing date of the application should be September 23, 1999 and not September 24, 1999.

Also enclosed is a copy of the Express Mail mailing label that was attached to the Express Mail package containing the correspondence. The mailing label was filled in by a USPS employee when the package was deposited. The label shows on its face a discrepancy in the date the package was received by the USPS. The date stamp placed on the label by the USPS employee correctly indicates a date of September 23, 1999. However, the "Date-In" box, which was manually completed by the employee, incorrectly indicates a date of September 29, 1999. The applicant believes that the employee misdated the label.

In view of the date stamp on the Express Mail mailing label and the Certificates of Mailing on the application papers, the applicant respectfully petitions that a filing date of September 23, 1999 be accorded to the application. The applicant also requests that a new Filing Receipt showing the corrected filing date be issued.
